EVANGELIST Aaron Hillyard

“He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.” John 3:18

“I’m a good person” rang loud on the footsteps of Mansfield University. Most of the conversations we had dealt with a world view that everyone is inherently good, and if God exists, He is evil to send people to hell. One of those students was Frank, the last student I talked to. However, when confronted with the law, he realized his view was a warped one. Although no one in conversation called on Christ, over 400 tracts were handed out, and the open air preaching reached many who stayed to listen. Some Christians came up after to thank us.
